*Imagine there's  
no Heaven?*

*It's easy if you try.  
No Hell below us?  
Above us only sky?*

Imagine someone rapes your mother and murders your father and when he stands to be judged, the judge rules that the man was only acting on his natural instincts and lets the criminal walk free!  
This of course is supremely ridiculous logic and our conscience is what separates us from animals and we know what's right and what's wrong... The Scriptures confirm this:

*"which shows the work of the Law written in their hearts, their conscience also bearing witness, and between themselves their thoughts accusing or even excusing..." (Romans 2:15)*

Our conscience also confirms that those who seem to get away with evil will one day come to justice and stand before The Almighty.

*"He has appointed a day on which He is going to judge the world in righteousness..." (Acts 17:31)*

Most people think that they are good and The Almighty will allow them into His Kingdom, but He is a righteous Judge and will judge according to His Law- The Ten Commandments and we know we are ALL guilty of breaking them. In the Scriptures He tells us that the penalty for our disobedience is eternal punishment!

The Almighty knows all our imaginings our thoughts and will even judge what we say:

*"Every idle word men speak, they shall give an account of it in the day of judgment." (Acts 17:31)*

The Good News is that someone has lived a perfect life and died in your place. His Name is Yahshua (the real Name of Jesus) the Son of the Yahweh (the real Name of God). Repent and ask Yahweh in a prayer to forgive your sin and sinful thoughts and put your trust in His Son - Yahshua who died and rose from death to pay for your sin.
